Adopt section 1355.35 in Article 1 of Chapter 2 of Division 13 of Title 16 California Code of Regulations to read as follows:

1355.35. Disclaimers and Explanatory Information Applicable to Internet Postings.

License Status Definitions.

(a) In addition to the disclaimer required by Section 803.1(c) of the code,

the following disclaimers and explanatory information, as appropriate, shall be provided with information released on the Internet:

(1) Administrative Citation Issued:

A citation and/or fine has been issued for a minor violation of the law. This is not considered disciplinary action under California law but is an administrative action. Payment of the fine amount represents satisfactory resolution of this matter.

(2) Administrative Disciplinary Actions:

The Medical Board's public disclosure screens are updated periodically as new information becomes available. Please contact the Central File Room at (916) 2632525 or at 1426 Howe Avenue, Suite 54, Sacramento, CA 95825, to obtain a copy of public documents at a minimal charge.

(3) Arbitration Award:

An arbitration award is a payment for damages and does not necessarily reflect that the physician's medical competence is below the standard of care. The Medical Board reviews all such reported arbitration awards and action is taken only if it is determined that a violation of the Medical Practice Act occurred. The Medical Board is prohibited by law from releasing a copy of the arbitration award report or any other information concerning the award.

(4) Disciplinary Actions Taken by Other State or Federal Government:

This information is provided by another state/federal government agency. The Medical Board of California may take disciplinary action based on the discipline imposed by another state/federal government agency. For more information or verification, contact the agency listed below that imposed the discipline.

(5) Felony Convictions:

The information provided only includes felony convictions that are known to the Board. All felony convictions known to the Board are reviewed and administrative action is taken only if it is determined that a violation of the Medical Practice Act occurred. For

more information regarding felony convictions, contact the court of jurisdiction listed below.

(6) Hospital Disciplinary Actions:

The action taken by this healthcare facility against this physician's staff privileges to provide healthcare services at this facility was for a medical disciplinary cause or reason. The Medical Board is authorized by law to disclose only revocations and terminations of staff privileges. The Medical Board is prohibited from releasing a copy of the actual report or any other information.

(7) Malpractice Judgment:

A malpractice judgment is a payment for damages and does not necessarily reflect that the physician's medical competence is below the standard of care. The Medical Board reviews all such reported judgments and action is taken only if it is determined that a violation of the Medical Practice Act occurred. The Medical Board is prohibited by law from releasing a copy of the judgment report or any other information concerning the judgment. For more information contact the court of jurisdiction listed below.

(8) Malpractice Settlement:

A settlement entered into by the licensee is a resolution of a claim for damages for death or personal injury caused by the licensee's negligence, error, or omission in practice, or by his or her rendering of unauthorized professional services. The Medical Board is required by law to disclose certain information related to the existence of multiple settlements made on or after January 1, 2003 in an amount of \$30,000 or more.

b) Information released on the Internet shall be accompanied by a listing of the types of information available from the board on the Internet about physicians licensed

by the board and a listing of the types of information that is confidential and not available from the board.
